

Performance

We work proactively to exceed our goals, working together to achieve maximum output.

Trust

We are open and honest, delivering a consistent professional commitment to each other, whilst maintaining confidentiality and respect for each other.

Team Work

We are constantly developing, innovating and evolving as a team. Everyone has a voice and their contributions are recognised.

Equal

We are respectful of colleague's thoughts and views and embrace diversity.

Patients

We put the patient at the centre of everything we do.

Governance

We are safe and well led, with effective systems and procedures to ensure compliance.
